#### INGE-GLAS® MANUFAKTUR

INGE-GLAS® MANUFAKTUR is a place where traditional craftsmanship and modern design come together. Inge's Christmas Decor GmbH in Neustadt bei Coburg, Bavaria, is the company behind it.

#### Enchanting glass ornaments for everlasting memories

With experience and great care, each individual glass ornament is hand-blown and hand-painted in the manufactory. Only the best materials are used, crystal clear glass, genuine sterling silver and the brilliant colours. The result is handmade glass jewellery of the highest quality and lasting value – for unforgettable Christmas celebrations.

#### Christmas decoration with the Star Crown® – Manufacture quality since 1987

The Star Crown® guarantees that one is holding a unique piece from the INGE-GLAS® MANUFAKTUR in the hands: a glass ornament manufactured in Germany according to centuries of tradition. The five points of the Star Crown® stand for handmade in Germany, family, passion, lived tradition and sustainability. It has been a registered trademark since 1987 and is therefore protected.
